Description

Situated in a peaceful rural setting close to Além da Ribeira, this property offers an excellent opportunity for those looking for a traditional Portuguese home with character, land, and potential for improvement.

The main house comprises two small bedrooms, a living room, a kitchen, and a bathroom. The property is currently habitable and has been lived in until relatively recently, although it would benefit from renovation and modernisation works to bring it up to contemporary comfort standards.

Set within a plot of approximately 1000 m², the property features a variety of mature fruit trees, providing natural shade, privacy, and the pleasure of harvesting your own fruit throughout the seasons.

Outside, there are several traditional outbuildings formerly used to support agricultural activities and the keeping of animals, offering useful storage space and potential for a range of other uses. The property also benefits from a traditional Portuguese threshing floor (eira), a charming and increasingly rare feature that reflects the area's agricultural heritage.

Surrounded by the tranquillity of the countryside while remaining within easy reach of local amenities, this property could be an ideal permanent residence, holiday retreat, or renovation project for those seeking an authentic rural lifestyle in

Central Portugal.
